## World Festival Wrapup

by Herta Matteson

Dear World Festival Friends,

You will certainly agree that our 33rd World Festival “One World – Many Cultures” was a wonderful event and a great success. A big thank you to everybody involved!

The World Festival is the best opportunity for our international community to share its diverse heritage with everybody. We can show our traditions, food, cultural richness and make ourselves be known as neighbors, friends and contributors to the wonderful fabric of Rochester. But we not only extended our hand to the “majority”, we also had great fun networking among each other.

We had unprecedented support for the World Festival from the local media and could reach many people, who otherwise would not have ever come to an event like this. When I was sitting in the gym watching some performances, I heard many comments like “I never knew there was such a thing” or “I have never seen anything like it” or “this is amazing for Rochester” and others. That means we did our job well of educating in a fun way and reaching out. We had great cultural displays and the food as always was one of the highlights. Our Children’s Center was amazing and unbelievably busy. The Friday night show was a wonderful display of talent and a trip around the world in itself.

We changed many things this year that turned out to be quite positive: We invited vendors to sell ethnic items in the cafeteria, we had all the organizations in the lobby as people were coming in. We had Saturday performances. We condensed many things in the gym, which provided a

festive atmosphere and had the effect that the wonderful people with cultural displays were not isolated in the hallways. The Friday night “big show” offered family tickets this year, which was great and made it possible for large families to come.

It is always hard to single out people to thank individually in such a big communal effort (so please forgive me, that I can’t include everybody): John Berquist as the chair, Phyllis Layton as volunteer coordinator, Addie Borja with many many things, Margaret and Jim Favre for a wonderful children’s program, Glen Saponari for endless efforts and energy, Lee Herold for flags flags everywhere, Mary Glenski for varied jobs, Thomas Yung for leadership in technology and web to collaborate and inform, and the RIA board in general for this big effort. It was a total volunteer effort and commitment.

We cannot forget to thank our sponsors. It costs a lot of money to put on such an event. Without our sponsors we would have to charge entrance fees for the Saturday events, which would exclude many people.

We are certainly open to suggestions for future World Festivals. Please join us next year in organizing it. We start in September and invite everybody to participate in whatever way they can. Contact the RIA if you want to join us.

Thank you all for participating!

Herta Matteson  
RIA Vice President

# Upcoming Events

**RochesterFest Parade. June 27.** Any ethnic group, persons in ethnic dress and costumes and/or with flags representing their country are invited to participate. The distance to walk is about 2 miles, not very fast pace. As of this date we are not assured a vehicle, but this might change. It is a lot of fun to do it and you can watch yourself on TV later! Please contact [hmatteson@hotmail.com](mailto:hmatteson@hotmail.com)

(subject line Rochesterfest Parade), if you want to participate.

**Next year the City of Rochester will start a student exchange with Siheung City,** our partner city in Korea. This is a unique educational experience. No Korean language skills necessary. 5 girls and 5 boys, age about 16 will have the opportunity to stay with a Korean family for about 10 days, probably in June (definite dates are not confirmed). Korean students will visit Rochester. The idea is to make this exchange reciprocal as much as possible. The cost for the student is the flight (prices for next year not known). Room and board and sightseeing are free. Since the group will be very small, we will do it on a first come basis, with the ultimate decision by the Mayor's International Affairs Committee. Please e-mail Herta Matteson [hmatteson@hotmail.com](mailto:hmatteson@hotmail.com) or call at 280-8319 for more information and to get on the list. At this point no firm commitment is necessary.

**This June a group of Rochester students will visit our partner city Moosburg in Germany.** After Labor Day the German students will reciprocate with a visit to Rochester. If you are interested in hosting a teacher or a student, please e-mail [hmatteson@hotmail.com](mailto:hmatteson@hotmail.com) (German exchange in the subject line, please).

**RIA Summer Picnic. July 24.** The Annual International Picnic will be on Thursday, July 24, 6:30, at West Silver Lake Shelter. We have music and meet people from all over the world in a casual environment. Bring some food from your country to share! We will have some food and beverages. The event will be held rain or shine, because the shelter (next to the fire station) is large enough to accommodate everybody.

**Spanish Conversation.** Those wanting to speak Spanish are invited to come to "El Grupo". We meet the 2nd and 4th Wednesday of each month at 7 pm at somebody's home and spend time chatting. No fees, no commitments, just a very diverse group of nice people conversing in Spanish. To get on the e-mail list to receive directions and information about the next meeting please send your request (in the subject line please "Spanish Conversation" or you will be deleted)to [hmatteson@hotmail.com](mailto:hmatteson@hotmail.com)

**English Conversation Group** welcomes newcomers to join them on the third Friday of each month at 10:00AM for snacks, coffee and conversation.
